The Everything DiSC Management Profile focuses on:

• Your DiSC Management style
• Directing and delegating
• Motivating and developing others
• Working with your manager

The Profile

The Everything DiSC Management Profile offers participants insight into their strengths and challenges as managers, and how to adapt their style to meet the needs of the people they manage—making them more effective managers. In this 27-page profile, participants will discover their DiSC® Management style, explore strategies for effective directing and delegating, improve their working relationship with their own manager, and more. The profile may be used on its own or with the companion facilitation; sold separately.

Everything DiSC® Management is a classroom training and personalized learning experience proven to increase the effectiveness of anyone in a management role.

Participants deepen their understanding of themselves, their direct reports, and their own managers using the DiSC® model while learning how their management style influences their approach to decision-making, time management, and problem solving. Participants walk away with concrete strategies to help them adapt to the styles of their direct reports, enabling them to bring out the best in their people.

Teach managers to successfully engage, motivate, and develop their people.
