Import Everything DiSC Files to iPad

Transfer your Everything DiSC facilitation files to your iTunes account.

On the iPad, press the **iPad button** above the cable connection to turn it on. Tap the **app icon** for the document you want to import.

Tap the + in the upper-right corner of the app screen and select **Copy from: iTunes**.

Tap one of the documents in the list to import it from iTunes.

		Module 1_Slides Yesterday, 2:58 PM	
		Module 2_Slides	

After the import is complete, warning statements will appear concerning expected formatting differences between the master and iPad versions.

Note: Your presentation will still play. We have tested this numerous times and have not found any problems with the overall look of the presentation.

Tap **Done**.

Tap the document icon to open it.
