

The Everything DiSC® Team Reboot

What is an Everything DiSC® Team Reboot?

An afternoon discovery session with your team where they will understand more about the origins of DiSC, the importance of working agreements, team alliances and norms. The outcome of this activity is for your team to have a better understanding of the impact of work styles, how to work better together and completing a draft of their working agreements/team norms!

Benefits for your team:

- Team building
- Understanding how to work better together
- Understanding the value of working agreements
- Draft of your teams working agreements
- Greater team/organizational agility

When to Reboot?

- Before significant org changes
- During any org transformation when norms are not in place
- When norms need a refresh
- When conflict is high on your team
- When teams have hit a plateau in productivity
- When you're looking or stronger alignment for teams
