

About EPIC

EPIC

EPIC is a secure website that allows you to easily create and manage custom online profiles. EPIC offers report options to aid in program facilitation, and options which offer an expanded user experience.

Access with Options

EPIC is a web-based program you can access at any time—issue Access Codes, monitor report completion, and print reports from anywhere in the world. Once a Respondent completes an assessment, EPIC scores their personalized profile right away. Give your respondents access to view their profile online, or choose to print the reports to provide during training facilitation.

Customizable Features

You can personalize reports with your company name, training program, and logo. Your company information also appears on the online assessment site and in emailed information from EPIC, providing Respondents with a consistent association with your brand. ([See More...](#))

You can tailor  Everything DiSC® and  The Five Behaviors of a Cohesive Team® profiles to incorporate them section-by-section into your facilitation time line. Profile sections and pages can be rearranged and/or removed at any time for both the online profile and printed versions. ([See More...](#))

Exclusive Extras

Make training stick with exclusive supplemental reports and MyEverythingDiSC! Supplemental reports allow you to build group reports from participant profiles in your EPIC account, and easily move people in and out of them as work groups change. MyEverythingDiSC is a bonus feature of Everything DiSC profiles that provides a platform for insights and interactions based on a Respondent's DiSC style. ([Go to MyEverythingDiSC Help](#))
