### **EVERYONE KNOWS SOMEONE!**

You may work with them, live next door to them, go to church with them or share your life and your home with them. We wish we could change their behavior, but we can't. However, we can change our view of them through understanding ourselves and learning how to interact with them by **Learning the Language of DISC!**

During this three-hour workshop, you will :

- ❖ Learn about DISC
- ❖ Identify your style and the similarities and differences among DiSC styles
- ❖ Learn a method for recognizing other people's DiSC<sup>®</sup> styles.
- ❖ Learn how to interact with other styles to reduce conflict
- ❖ Learn how to become DISC certified

### **It's Time To DISCover DISC!**

**Contact us to schedule a 2-hour session at your organization.  
DISCover how **Everything DiSC** <sup>®</sup> can work for you!**
