

Online Course Orientation

Two weeks prior: Receive your login credentials for the Online Training Center. The Training Center provides the best in online blended learning—and will serve as an ongoing resource after the Certification!

In the Online Training Center – you'll be asked to:

- Complete the Everything DiSC Workplace Assessment to receive a series of personalized reports in class (15 minutes)
- Explore Everything DiSC Workplace core concepts through a series of self-paced interactives before you enter the in-person session (2-3 hours)
- After successful completion of the pre-course and in-person session—complete the Everything DiSC Workplace Certification exam and online evaluation to receive the credential of *Certified Everything DiSC Workplace® Facilitator!*

Increase your confidence and competence in delivering Everything DiSC Workplace® in your organization. Enjoy the flexibility of self-paced learning, paired with a collaborative in-person session led by Wiley's expert trainers with this blended learning course.

**Content and schedule is subject to change without notice*
